A brief sketch of the college

Salur is a backward, underdeveloped, remote town in Parvathipuram Manyam district of Andhra Pradesh. It is in the tribal belt of eastern Ghats a far o place to the main stream area of culture and development. The people of salur depend upon the prevailing motor filed and good carrying lorries, and the

surrounding rural tribal people depend upon the agriculture and forest produce of the area. So the people are not much aware of education and its fruits. So the people cannot afford to send their children to far of towns and cities for higher education spending lot of amounts. Hence the leaders and people felt the need to have an institution, which caters to the needs of higher education of their children.

At this juncture, God the Almighty sent a befitting man Dr.R.H.Thangaraj, superintendent of Local Leprosy Mission Hospital, who can deliver the goods. Under the president ship of Dr.Thangaraj an adhoc Degree College committee was formed with the members of the Lions club of salur. The committee under his leadership mobilized funds from ad rod and local people and acquired a land of 9.78 acres with the collected funds . So many philanthropists and noble people of the town lent generous and helping hand for the success of the herculean task. All these efforts become fruitful in the release of a G.O.on 757 31.08.1982 sanctioned the Degree college with B.A. and B.COM courses. The people are indebted to Sri.Bhavanam Venkatarama Reddy,the them Honble Chiefminister, and Ch.Syamala Rao ,the them Honble minister for tribal welfare.

With the unstinted efforts of people like Sri.Nekkanti satyanarayana, Dr.V.Ganeswara Rao and Sri A.Samba Murthy and the able guidance of Principal Sri.N.jayakumar Rao and Sri.K.Mohan Rao ,Government sanctioned science group B.sc (M.P.C) and B.sc (B.Z.C) in 1998. The lorry owners association salur , has construted a girls waiting room, thus the collage devolped to the present status ,with undergraduate courses, it helped the students of backward ,underdeveloped , remote tribal area to acruire higher education and better future in their lives.

Under the dynamic guidance of the Principal , sri. K.Appa rao the computer lab was established during this academic year 2007-2008.
